

# QIPS in Entrada: Faculty and Resident Quick Start Guide

<https://entrada.med.ubc.ca/>

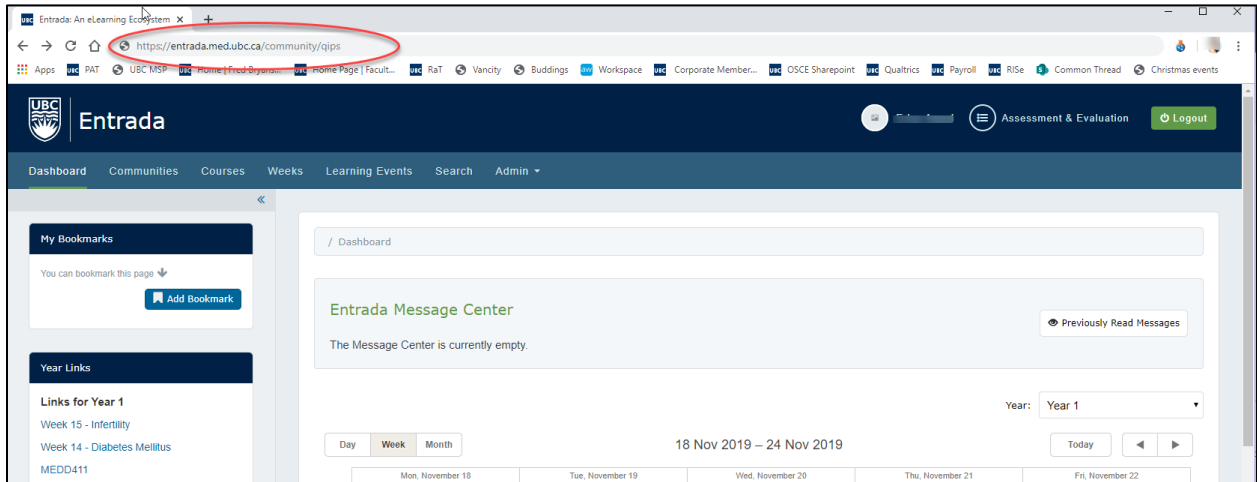

Entrada is an online platform for learners and faculty to access relevant content and information within the Faculty of Medicine. This guide will walk you through how to access resources for Quality Improvement and Patient Safety (QIPS) in Entrada. QIPS teaching resources will be made available for faculty as they are developed. The online primer is now available for residents to complete.

*\*\*Please note that Entrada is not mobile friendly.*

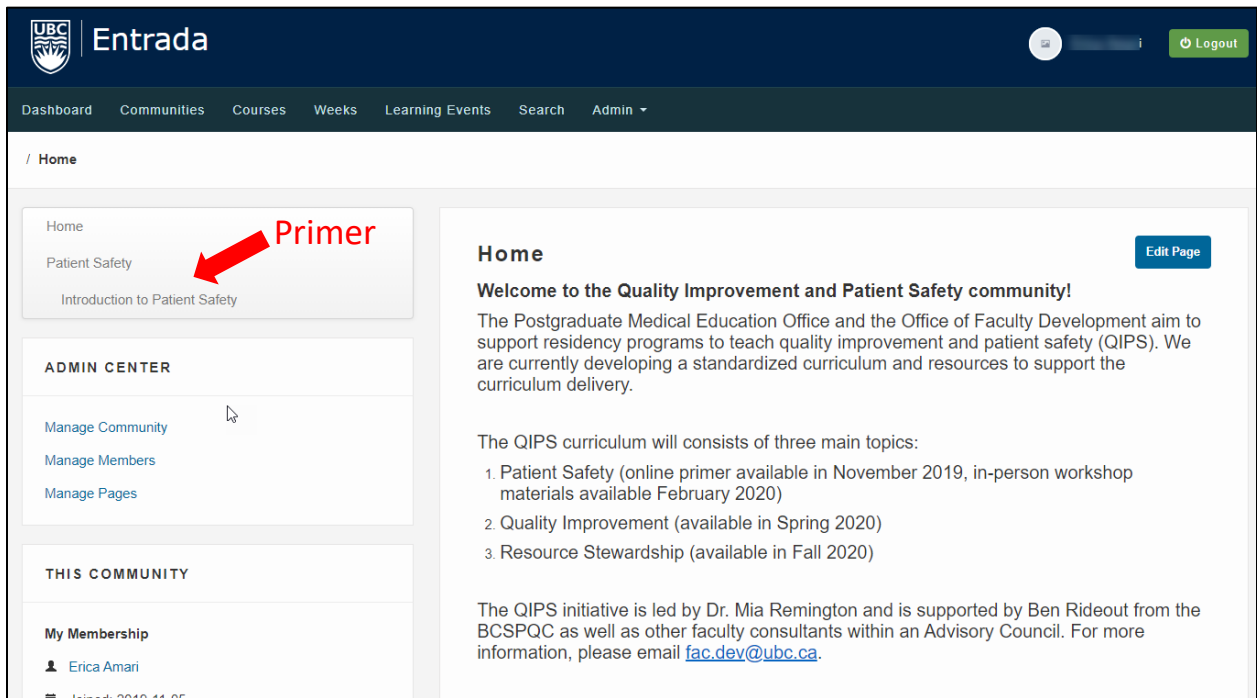

## 1. Log into Entrada from your desktop/laptop <https://entrada.med.ubc.ca/>

The image displays two screenshots of the UBC CWL Authentication and Duo Security login pages. The top screenshot shows the CWL Authentication page with a dark blue header containing the UBC logo and the text 'THE UNIVERSITY OF BRITISH COLUMBIA'. Below the header, the page title is 'CWL Authentication'. There are two input fields: 'Login Name' and 'Password'. To the right of these fields is a grey box with the text: 'Recover your CWL login or Reset your CWL password via Email. If you have a non-UBC email address associated with your CWL account you can either:  Recover your CWL Login Name'. A blue 'Login' button is located below the input fields. The bottom screenshot shows the Duo Security authentication page, also with the UBC header. It features a large 'UBC' logo on the left and a 'Choose an authentication method' section on the right. The methods listed are: 'Duo Push RECOMMENDED' with a 'Send Me a Push' button, 'Call Me' with a 'Call Me' button, and 'Passcode' with an 'Enter a Passcode' button. There is also a 'Remember me for 7 days' checkbox. At the bottom left, it says 'Powered by Duo Security' and includes links for 'What is this?' and 'Need help?'.
